# Come along to Mencap's Big Cuts event

---

If you are worried about how the cuts could change the help, support and benefits you get, Mencap's Big Cuts event will help you.

Join the fight against cuts!

- Find out about cuts that might affect you.
- Find out how to look after learning disability services and keep the support you need.
- Get together with other people with the same worries.

Most of the time, the government can't just take services away. So you can help to fight the cuts.
